OBJECTIVE

I am looking for a challenging job with a rapidly growing organization that can provide me with a range of goals and job objectives within a contemporary and economical business setting.

EDUCATION

Mailam Engineering College 2020
B.E in Mechanical Engineering
6.89 (CGPA)

St micheal's matric hr sec school, Gingee 2016
Higher secondary course certificate
57.6%

St micheal's matric hr sec school, Gingee 2014
Secondary school leaving certificate
72.6%

PROJECTS

Compressed air production using vehicle suspension
Compressed air production needs no fuel input power to produce the output of the air.
I play a major role to design the project model.

Aluminum recycling portable furnace
Portable type metal melting furnace.
I lead the team to accomplish this project and make the working model.
